

GS Prelims TEST SERIES SCHEDULE

41 tests divided in 25 weeks + 5 Current Affairs Tests

PRAYAS 2021

TOPIC WISE TEST SERIES based on 40 Yrs. UPSC PYQs for CSE Prelims

41 Topic-wise Tests, 5 (500Q) Current Affairs Tests

M. R. P. (Mindful Responsible Price) – Rs. 8000/- (incl. all taxes)

“There are total 4439 UPSC Previous Year Questions with full explanation that you practice before UPSC exam”

Why a UPSC CSE aspirant should Practice Previous Year Questions?

1. Every year, 15-20 Qs in UPSC Prelims appear from PYQs.
2. Identify how important is a topic from exam point of view (depending on the number of questions that came),
3. Identify how many books should you read for a topic (depending on what type of questions are coming),
4. Identify how deeply you should read a topic (depending on the difficulty level of the questions), and
5. Identify whether a topic is more important from Prelims or Mains perspective (depending on number of questions that came from a topic in Prelims & Mains).

Most important purpose of Tests is that you are able to **understand the essence of a question/ the trick involved in it and why this question was asked.**

What's special about our online compilation of 40 years PYQs

- Your paper is evaluated against 11 different parameters – both Macro & Micro performance Analysis.
- You will come to know how you performed not only in different Subjects (Section wise analysis) but also against easy, medium & hard questions (Difficulty Analysis).

Questions are from Previous Year UPSC Question Papers of GS Prelims going back from 1978 till 2019

GS Prelims TEST SERIES SCHEDULE

41 tests divided in 25 weeks + 5 Current Affairs Tests

- You will also come to know about your performance and ranking against 1000s of other students (All India Rank).
- You will also be able to know that how many of students gave right answer to question which you attempted wrong (comparison with toppers).
- You will get detailed explanation along with source of each and every question of the paper.
- The reports will also give you personalized feedback and practical suggestions against your Performance.
